Enrolment Policy

As a school within the Victorian public school sector, our school will comply with all government and department enrolment requirements. The school will be a school without a zone but with a neighbourhood and it will take all students who make inquiries from its neighbourhood.

All students and a family member or a caregiver will be interviewed by a senior member of the teaching staff prior to enrolment to ascertain an appropriate year level and learning program. The enrolment policy of the school will take account of all requirements of laws relating to discrimination, equal opportunity, privacy and immunisation.

Buxton Primary School will be an inclusive school and it will provide programs for all enrolees. A Disability and Impairment Program will cater for students who have special learning needs.

An enrolment register will be maintained. The enrolment register will be kept up to date by a dedicated member of the school office staff. Changes to the register will be done on a weekly basis to reflect current student numbers and movement of students into and out of the school. Student destinations will be tracked.

International students will be enrolled in a manner consistent with the guidelines for enrolment of international students of the Department of Education and Early Childhood Development.

At Buxton Primary School our mission is to provide a positive learning environment that places a high value on lifelong learning, through believing in and supporting students to achieve their full potential in all areas of the curriculum.
