YARD DUTY AND SUPERVISION POLICY

Help for non-English speakers

If you need help to understand the information in this policy please contact Sarah Irving 5774 7341.

PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Buxton Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Buxton Primary School's grounds are supervised by school staff from 8:30am until 3:30pm. Outside of these hours, school staff will not be available to supervise students.

Before and after school, the playground equipment next to the front gate, sand pit and basketball court will be

supervised.

Parents and carers will be advised through notification on our school website and regular reminders in our school newsletter that that they should not allow their children to attend Buxton Primary School outside of these hours. Families will be encouraged to contact Sarah Irving on 5774 7341 or refer to Hayley at OSHC on 0460 854 985 for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty

All staff at Buxton Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

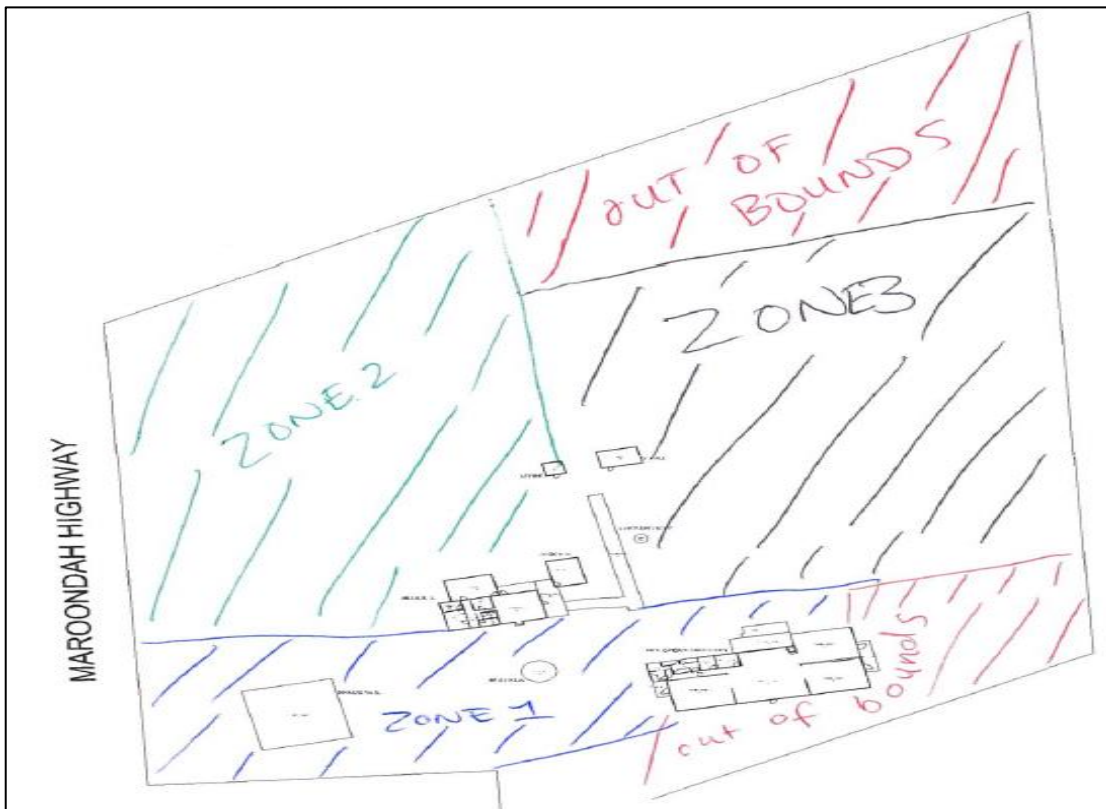

The Principal is responsible for preparing and communicating the yard duty roster on a regular basis. At Buxton Primary School, due to the small number of students, school staff will supervise Zones 1 and 2 while on duty. Zone 3, the Land for Wildlife is only available for play on Mondays, Wednesdays and Fridays at lunch time in Terms 2 and 3. All students must play in this area on these days, with Zones 1 and 2 out of bounds. This ensures adequate supervision of students.

Yard duty zones

The designated yard duty areas for our school **as at insert date eg Term 1, 2022) are:**

Zone	Area
Zone 1	Oval
Zone 2	Play equipment, basketball and sandpit
Zone 3	Land for Wildlife

At Buxton Primary School our mission is to provide a positive learning environment that places a high value on lifelong learning, through believing in and supporting students to achieve their full potential in all areas of the curriculum.

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored on a hook by the classroom door.
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in on a hook by the classroom door.

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students.

At Buxton Primary School our mission is to provide a positive learning environment that places a high value on lifelong learning, through believing in and supporting students to achieve their full potential in all areas of the curriculum.

- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement and Wellbeing Policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on uEducateUs and the Incident Report Form.

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should send a message to the Principal and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the Principal or Business Manager for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training [Excursions Policy](#).

Digital devices and virtual classroom

respect to supervision of students using digital devices.

Buxton Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in the Library area.

- student attendance will be monitored daily
- any wellbeing or safety concerns for the student will be managed in accordance with our usual processes – refer to our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures for further information.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required.

Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

Bathroom Visits

During class, students can go to the bathroom by themselves as the bathrooms are located within the building adjacent to the classrooms. Teachers are able to see who enters and exits the bathrooms. During recess and lunch breaks, or during classes such as PE happening outside the classroom, students must go in pairs to the bathroom.
