## POLICY

### 1. School profile

Buxton Primary School was established in 1875 and continues to be an integral and important part of the Buxton community. It is situated at the foot of the Cathedral Range in the Acheron Valley within the Shire of Murrindindi. At Buxton Primary School our mission is to provide a positive learning environment that places a high value on lifelong learning, through believing in and supporting students to achieve their full potential in all areas of the curriculum. This mission is firmly based on our core values of Kindness, Fairness and Growth.

Buxton Primary School is committed to continuous improvement and dedicated to ensuring that all students achieve at the highest level. We are proud of our focus on identifying and meeting the educational, wellbeing and interpersonal needs of each student. Our school implements the Victorian Curriculum from Foundation to Year 6 and provides a range of specialist programs including PE, Library, Art, Music, Drama and LOTE. We are one of only 10 schools in Victoria to offer an Indigenous Language and Culture Program, taught by a respected local elder and linguist of the Taungurung people. Our Inquiry program makes strong links with the local environment and community. The school is set in a uniquely beautiful physical environment with extensive grounds which includes a Land for Wildlife area. We undertake excursions and camps throughout the year, including a swimming program, cross country skiing at Lake Mountain, Kids Teaching Kids, Cathedral Cluster sporting events and a Youth Writer's Camp. Buxton Primary School is committed to continuous improvement and excellence in all aspects of learning and teaching. Our school provides our students with a nurturing, safe and high quality learning environment within excellent facilities.

In 2021, Buxton Primary School successfully secured grant funding to renovate and redevelop the former art/science room into a state of the art STEM Studio for students and the local community. Further grant funding was secured to redevelop the vegetable garden and bush foods garden, replace retaining walls around the school basketball court and resurface the concrete area around the administration building for greater safety and enjoyment. Significant work was completed to secure funding to establish a School Council managed Out of School Hours Care Program from 2022. This program will support current school families and encourage future enrolments.

Student enrolments hovered around 16 students in 2021. We continued to offer personalised learning opportunities with excellent teacher to student ratios with two small classes of 6 - 8 students for literacy and numeracy four days per week. This model enabled us to carefully target the learning needs of students who were disadvantaged by remote and flexible learning earlier in the year and provide targeted learning programs with greater learning differentiation and small group teaching. Individual and small group learning intervention was provided through the Tutor Learning Initiative. The Student Family Occupation Education
