Principal's Report

Parent Opinion Survey—Closes Tomorrow!

Please take the time to complete the survey before the close of business tomorrow. Your feedback is important to us!

Working Bee Thank You

Thank you very much to the families who were able to make it at short notice to our working bee on Saturday. The grounds looked wonderful for visitors this week and the mountains of Autumn leaves have been moved to the compost to reduce bushfire risk. Thanks to Laura, Paul, Alice, Ella, Jess, Layla, Declan, Carter, Kerri, Betty, Glenn and Freya.

National Water Week Competition Winners

Alice, Grace and Hendrix were the Buxton winners of the National Water Week Our Water Stories Competition. Their entries now join entries from the Goulburn Valley region to be judged at Shepparton. Photos and stories are on page 3 of this week's newsletter

Division Athletics Sports

Congratulations to Alice who will be representing Buxton Primary School and the Cathedral Cluster in the 12/13 year long jump at Epping at the beginning of Term 4.

Leading Curriculum and Assessment Course

Sarah C, Lea and I completed our Leading Curriculum and Assessment course through the Victorian Academy of Teaching and Leadership yesterday. The comprehensive course included multiple workshops over Terms 2 and 3 focusing on co-designing rich and meaningful curriculum and assessment tasks that enable students to demonstrate the breadth of their learning. Our learning will help us further develop our curriculum plan that gives all survey students a rich learning experience throughout the primary education.

Ats Centre Melbourne Excursion

The students thoroughly enjoyed the Girls With Altitude show today. There will be lots of requests for gymnastics or acrobatics lessons tonight as many students have chosen circus as their new career!

End of Term Friday 16th September —Early Finish at 2:10pm and Free Dress

A reminder that on Friday 16th September, students can wear free dress and will finish school an hour early at 2:10pm. The first day of Term 4 is Monday 3rd October.

We hope to see everyone's smiling faces again next term,

Sarah

Student of the Week

Mitchell has had a wonderful start at Buxton.
He is kind, thoughtful and friendly to all.
Congratulations Mitch!

Final day of Term 4

National Water Week

'Our Water Stories'

The Lost Duckling
Thunder 'BANG', lightning 'FLASH'.
Little duckling is terrified of the storm. Mother quacks "stay together", but a big gush of wind blows the little duckling away.
He quacks, "help". But they can't hear him. The storm passes and little duckling opens his eyes, the sun is out and his family are nowhere to be seen.
Little duckling sets off down to the river to find his family.
After a couple of days he goes around a corner and sees his family looking for him.
He quacked, 'MOTHER'. His mother quacks "SON". He paddles his little legs as fast as he can to his mother.
They all snuggle in a warm cosy nest.

By Alice

Baby Eel

Baby eel was swimming around in the Meetings.
Some kids came down and hopped into the water and swam around. A little girl stepped on the baby Eel, and she screamed in fear. Baby eel got a big fright, he quickly swam away to hide. He stays hiding until the kids go and then he comes out in the dark to find some food to eat.
BUMP! He bumps into another baby eel and has a new friend.

By Grace .

The Rainbow Trout

The rainbow trout has red, dark green, light green and black scales. His has a little bit of a rainbow face with golden eyes.

Hendrix
