Principal's Report

Parent Opinion Survey—Your Feedback is important!

We have only had 2 responses to the survey with one week to go. Please consider taking the time to complete the survey, as if we don't have a minimum of 5 responses, we don't get the results sent to us, to prevent any risk of identifying data. The feedback is very important to us. The survey will be conducted **online**, only takes **20 minutes** to complete, and can be accessed at any convenient time before 16th September on desktop computers, laptops, tablets or smartphones. The information about how to log in was sent home with last weeks newsletter, is attached again this week.

Welcome Mitchell!

We welcomed new Grade 5 student Mitchell to Buxton Primary School today. The students are so excited to get to know him and they have found lots in common already.

Kids Teaching Kids Conference at Yea Wetlands

Our students represented Buxton Primary School beautifully at Kids Teaching Kids. Their presentation on Mini Beasts was well prepared and the presented confidently. Congratulations to all the students involved, and thank you to Mrs H and Lauren for helping the students to rehearse and make props. Congratulations everyone!

Cathedral Cluster Athletics Day

I'm impressed with the students' perseverance and wonderful sportsmanship yesterday, especially in the very challenging weather conditions. Thank you to Ms C for organising the students and their event entries, and thank you Lauren and Laura for going along to help with jobs to make the day run smoothly.

Thank You Lauren!

We have been blessed to have Lauren Riley with us on teacher placement for the last four weeks. Lauren has been so enthusiastic, flexible, built great rapport with the students and has taught some excellent lessons. She really understood the 'Buxton way', of inclusion, knowing the individual and helping every student to shine. We will definitely be inviting Lauren back to help at Buxton when she is available!

Thursday 15th September—Melbourne Excursion

We will be going to see an acrobatics performance called 'Girls with Altitude' on the second last day of term. Thanks to a subsidy offered by the Arts Centre Melbourne, this trip will be free for our students, including the performance and bus travel. The permission form for this excursion went to families via uEducateUs, please ensure you have approved it.

End of Term Friday 16th September —Early Finish at 2:10pm and Free Dress

A reminder that on Friday 16th September, students can wear free dress and will finish school an hour early at 2:10pm.
