Principal's Report

At the end of every term I find myself saying, "at least next term will be quieter". This year marks 20 years since my first year teaching as a graduate, and you'd think I would have learned by now! Even COVID times were busy for schools, just in different ways. At least now we are busy with rich, engaging and interesting learning opportunities and programs like Bike Education, excursions, camps, swimming lessons etc. Term 4 will be very busy, but full of great learning experiences for our students.

Student Free Day 14th October

A reminder that tomorrow is a student free day.

Year 3-6 Melbourne Camp and Junior Activity Days

Our senior students have been fortunate to be invited to attend a City Camp from 16th—18th November with other small schools through the Positive Start Program. I will be taking eight students to the camp, while Sarah C and Lea take the Year F—2 students on a couple of fun excursions to Healesville Sanctuary and a fishing adventure day. The cost for all students in F—6 will only be \$20 per child. Permission forms will be sent home next week via uEducateUs and we ask that payments be made by bank transfer (preferred) or cash.

Swimming Program

Our swimming program is booked for two weeks from the 5th - 9th, and 12th - 16th December at the Marysville outdoor pool. Students will have a daily afternoon lesson (weather permitting) with Sarah C, as she is a trained VicSwim coach.

Bike Education

Please remember to let us know if your child does not have access to a bike and helmet for our Bike Education program. Also, if anyone has any spare bike or helmets that no longer fit their children that we could borrow, we would be most grateful.

School Review Thursday 20th October—Please join us for the Parent Forum!

What is the School Review? Every four years, schools undergo a review process to ensure that they are meeting their minimum standards compliance obligations mandated by the Victorian Registration and Qualifications Authority (VRQA) and to set the School Strategic Plan for the next four years. More than just the compliance side of things, the Review is an opportunity for us all to reflect as a school community, celebrate our achievements and successes of the last few years, reflect on the challenges we have experienced, and to make plans for how to continuously improve outcomes for students into the future.

We would appreciate it if as many parents as possible could make it to our Parent Forum on Thursday 20th October from 8:50am - 9:30am. The panel members will invite feedback on a range of topics. No school staff will be in the session, just parents and the reviewers.

Stay safe in the wild weather,

Sarah
