Principal's Report

School Contact Phone Numbers: Landline—5774 7341 Mobile—0459 068 269

Please add these phone numbers to your contacts so that you can get in touch with staff easily when needed. This is especially important if you need to notify us about early or late pick ups, bus travel etc. When I am away at meetings, I cannot always forward your messages from my mobile back to school in a timely manner. The school mobile will be coming with us on excursions and camps, so it is a good one to have saved.

Bike Education From Week 2 of Term 4 2023

Please note that our Bike Education Program will run again for PE from next week. Please bring your child/children's bikes and helmets to school from Monday 9th October. Bikes will be securely locked in the sports shed while not in use. If you prefer, you can bring the bikes in to school on Wednesdays and Fridays, rather than leaving them at school. If your child does not have a bike or helmet, please let us know asap so we can arrange to borrow them. Also let us know if you need help with transporting them to school.

Inner and Outer Shepparton Principal's Network Conference in Marysville

Our students and staff will be travelling to Marysville next Thursday 12th October to open the Principal's Meeting by presenting an acknowledgment of country and sing two songs in Taungurung language. This is an great opportunity to showcase our wonderful school and it is **very important** that all students attend. Please make sure they are in correct school uniform next Thursday and we need everyone at school by 8:30am. Please give permission via uEducateUs.

Smile Squad Thursday 2nd November

A link was sent out via uEducateUs this week to inform parents that free dental checkups are being provided here at school by the Smile Squad on Thursday 2nd November. If you would like to register your child or find out more information, please go to: <https://bit.ly/smilesquadvic>

School Camp—Years 1 to 6

We have a camp to Fifteen Mile Creek Outdoor School (Greta South) coming up from 20th - 23rd November. The camp is for 4 days/3 nights so I would appreciate it if you could discuss with your child/children (especially those in Grade 1/2) whether they would like to go and whether you believe they would have the stamina for staying away from home that long. Our Foundation students, and any others who would prefer to stay close to home, will have fun activity days and excursions over the 4 days to keep them busy and so they don't miss out on the fun.

School Council - Tuesday 10th October

Our next School Council Meeting will be held in person and online next Tuesday 10th October at 4:30pm.

School Photos

We will be having school photos taken in on 2nd November (same day as the dentist), including individual, sibling, Year 6 and whole school photos. Laura Fitzgerald has kindly offered to take them for us again, hopefully we won't have a hailstorm this year! For a donation of \$10 per child, we will provide you with a USB drive with digital copies of your family's photos (online downloading of photos was a bit tricky last year).

Curriculum Day for Buxton Primary School

Friday 6th October

We will do some craft activities and go to Buxton Reserve Playground for Lunch followed by a movie in the afternoon.

Last Day of School

Wednesday 20th December

Early dismissal with games, Christmas activities and maybe a Christmas movie if we're all tired.

Vacation Care 2024

Please let us know as soon as possible what week you will be needing care. We can start **Monday 8th January or Monday 15th January**. Based on interest we will open either week but need to know by the beginning of October so we can start planning the program.
