Principal's Report

Camp and Junior Activity Days-Tuesday 21st November to Friday 24th November

Campers will need to be at school by 8:30am on Tuesday 21st for departure by 8:45am. Please hand any medications to me and ensure that you have included everything on the packing list. An extra copy is attached to this newsletter in case you need it. If you haven't paid for camp yet, please do so as soon as possible. Part payments are accepted, however we need the full amount paid by the end of November. If you need to discuss payments further, please get in contact with me.

The permission form and information for the Junior Activity Days was published via uEducateUs today. Please read through it carefully and sign the permission form. There will be no cost for these days.

Working Bee Postponed

Unfortunately we didn't have helpers available to run our working bee last week. I understand that families are always busy, especially at this time of year. Rather than scheduling a new date, we will send out a list next week of jobs that need to be done and by what dates. If you can help with one of these jobs, please put your name on the form and return it. You can do the job at a time that suits your schedule best.

Bravehearts Visit

The junior students had fun with the Ditto Show on Wednesday. There were new songs and activities to engage students and teach them about personal safety, appropriate touch and who to speak to if you feel unsafe.

Remembrance Day Service

We had a very special day last Friday with our Remembrance Day services. With the generous support of Carmel Denham, students planted beautiful knitted poppies at the base of the flagpoles outside the school with thoughtful messages attached. We then travelled to Marysville to participate in an early Remembrance Service at the Cenotaph with Marysville Primary School. We were proud of the respect demonstrated by our students for this important commemoration.

Keyboard Instrumental Lessons in 2024

Katherine McIntosh, our visiting teacher who teaches Maths and Music, will be offering individual keyboard lessons here at school during school hours in 2024. She will offer trial lessons in Week 9 for any interested students and then send home more information about the lessons for parents.

Sarah

Students of the Week

Friday 10th November

Jack wrote a thoughtful message for Remembrance Day and was a great ambassador for Buxton PS.
Congratulations Jack!

Friday 17th November

Thank you to Huntah for volunteering his time to help tidy and care for our school playground. We appreciate your hard work and thoughtfulness Huntah!
