Principal's Report

This weekend we get the opportunity to celebrate the mothers, grandmothers, step parents, aunties, family friends and other important women in our lives who do so much for us. I hope you feel the love and appreciation our young people have for you. My thoughts are with anyone who finds Mother's Day an emotional day for any reason. I lost my own beautiful mum 24 years ago and I still miss her very much.

Cathedral Cross Country

I was very proud of our Buxton students who put in their best effort at the Cross Country at Eildon on Wednesday. It was tricky for our older students as the course was changed from previous years, but they handled it well. Thank you very much to the parents who could make it and cheer them on, it meant a lot to our students to have you there.

Parliament in Schools Visit—Thursday 2nd May

Dr Helen Haines MP and the Hon. Speaker of the House, Mr Milton Dick presented an interesting talk to the Year 2—6 students last week. They were particularly impressed with the welcome all of our students presented, including an Acknowledgement of Country and a song in Taungurung Language.

Walk Safely 2 School Day

A small but dedicated band of students and families braved the rain today to walk to school. Thank you to Ms C, Katrina and the parents who walked with the group.

Murrindindi Beanie and Fibre Festival - 25th and 26th May

Thank you to everyone who has offered to help out in some way for our fundraiser on the 25th and 26th May. Attached to today's newsletter is a reminder of what you have offered to do to help. If there are any changes to your availability, please let me know.

Alexandra Community Wood Auction - Saturday 25th May

The Community Wood Auction is another great opportunity to fundraise for our school. Individuals and groups can donate a trailer load of wood to be auctioned off to raise funds for community groups such as Buxton Primary School. If you think you could help out by donating some wood, please reach out to me. The other way you can support us is to go along to the wood auction and place a bid on one of the trailers marked with the Buxton PS logo.

Bringing Toys to School

A reminder for families that students bring toys to school at their own risk and we ask that you check with them to make sure they are not bringing anything extra special to school. Toys inevitably get lost or damaged and we can't go hunting for missing toys during class time. I have spoken with students about this, but if you could please chat with them and remind them of the policy and help them to understand that if they lose a toy at school, teachers cannot spend learning time helping them look for them.

Stay warm,
Sarah

Cross Country Run

Student of the Week

Important Dates:

Tuesday 21st May

School Council Meeting

Saturday 25th & Sunday 26th May
