Principal's Report

Lake Mountain Ski Day—Thursday 1st August

The weather was amazing for our Lake Mountain trip yesterday. We even felt hot in the sun! I was very proud of the students' politeness to resort staff, encouragement of each other and willingness to give the ski lesson a go. It is a challenging experience, especially as a beginner when you fall many times and have to get back up again. Thank you to our staff and parent helper, Petrice, for their patience and assistance on the day.

Parent Teacher Interviews Wednesday 7th and Thursday 8th August

My apologies for the delay in holding the parent teacher interviews this term. We had staff away last week on our planned dates. I have released booking slots for next Wednesday 7th August from 3:00—5:00pm for Year 2-6, and Thursday 8th August from 3:00—5:00pm for Year Prep/1. The different class interviews are being held on different afternoons so that I can attend with the classroom teachers. If there are no times available that suit you, please speak with the class teacher to book an alternative time.

Year 7 2025 Transition

The first transition visit for Year 6 at Alexandra Secondary College is on Wednesday 14th August. We are waiting on the permission form and information about the visits from the College. Hopefully we will have this next week.

Yea Primary Skipping Demonstration

Yea Primary School runs a strong skipping program and competitive team. As our students are completing Jump Rope for Heart this year, some Yea students will be visiting on 26th August to give a demonstration and inspire our students. We can't wait to see their skills!

Smile Squad Dental Visit—Wednesday 14th August

Smile Squad will be returning to school on Wednesday 14th August to provide check ups for the students they saw at school last year. No new forms are required for these students. I am unclear as to whether they will be seeing new patients, once I confirm with them I will let you know if you are able to register new students to be seen by the dentist here at school.

Making Payments for School Excursions and Events

Apologies for the lack of clarity regarding how to pay for school events such as the skiing. The easiest way to pay for things is via bank transfer to the school bank account. Lorraine will ensure that these details are printed in the newsletter each fortnight and we will add the details to our school website.

Take care and stay warm,

Sarah

Student of the Week

Friday 16th July 2024
Oakleigh has been working hard on his sounds and reading.
Great job Oakleigh!

Friday 2nd August 2024
Zarhlia showed great perseverance and effort when skiing.
Great job Zarhlia!
