Principal's Report

We are almost at the end of another busy term and I am grateful for more daylight and the patches of sunshine and warmth we have had. Before we know it the end of the year will be upon us and I have already started planning for the 2025 school year. If you are heading away over the school holidays, stay safe and enjoy some family time.

Save the Dates!

- **Working Bee school grounds tidy up** Saturday 12th October 9:00 - 11:00am. Kids welcome.
- **Camp Jungai Fun Activity Day** Friday 25th October
- **End of year celebration and Grade 6 graduation** Monday 16th December from 5pm.

Curriculum Days

Our staff had two productive days last week reviewing our parent opinion survey data, student wellbeing approaches, behaviour management strategies and school values. We also had an informative professional learning session with our Occupational Therapist Siobhan, learning about sensory processing challenges, brain breaks and supporting handwriting development. Next term we will be asking for feedback from the school community as we update our school vision and values.

Still Seeking Volunteers

Please have a chat with me at the start of Term 4 if you are interested in volunteering your time at school.

Last Day of Term 3—Friday 20th September 2:10pm finish

Our last day of school is this Friday and we have an early finish of 2:10pm. Campers should be back around this time too, however updates will be provided on the day.

Camp and Activity Days

We are all excited for the next three days of fun and adventure. If you need to get in contact with staff who are on camp, **please call my mobile—0402 211 631**. If you need to get in touch with staff attending the Melbourne Museum or ELF Reading Day, please call Lea Hyatt via school mobile **on 0459 068 269**. If you haven't settled your account for camp, please do so asap.

Kind regards,

Sarah Irving
