Principal's Report

Thank You Working Bee Helpers

A huge and heartfelt thank you to the helpers at our working bee for their wonderful work in very hot and humid conditions. We did some repairs on the playground, removed the old chook pen, raked up so many Autumn leaves, cleaned out stormwater grates and several other jobs.

End of Year Celebration, Graduation and Family Picnic—Tuesday 17th December 5:00pm

We look forward to seeing everyone on Tuesday 17th December at 5:00pm for our end of year celebration. All students are required to attend, as they will be performing in the play. Bring along a picnic tea, some chairs or a rug and join us for a relaxed catch up after the formal part of the evening. Family members and friends are most welcome to come along, please use the link sent out via uEducateUs to RSVP so that we know how many seats we need for guests.

2025 Transition Day—Tuesday 10th December

Our current students, next year's preps and any students starting at Buxton in 2025, will be involved in our transition program next Tuesday. Students will spend time in their new classes with their main teacher for next year. The Prep/1 teacher will be Lea Hyatt, Year 2/3 Teacher will be Sarah Irving and Year 4-6 Teacher will be Hayley Crowle. The full staffing arrangements for 2025 will be advised in the final newsletter of the year.

Swimming Program

We had another successful swimming program this week and it was a pleasure to see so many students increase their confidence and skills in the water. If you go to the pool over the Summer, I encourage you to ask your children to show you their new skills. Thank you to Sarah Cooke for organising the program.

School Photos—\$10.00 per Family

We ask that the families who haven't paid the \$10.00 per family for school photos do so ASAP. We want to get the photos sent home next week, but not many people have paid to help cover the cost of the USB drives. You can pay by cash or bank transfer, account details are in this newsletter.
