Principal's Report

The rest of Term 3 will be hectic, but filled with many exciting events and activities. Please make sure you read the newsletter regularly and keep an eye out for notifications from uEducateUs.

Boite Choir

The Boite Choir performance is next Tuesday 12th August at the Melbourne Town Hall. Our students have been focused in rehearsals and are ready for an exciting and fun-filled day. Thank you so much to Kim and Katherine for teaching the students the songs and helping them feel confident. We have been advised that the president of Timor-Leste, Jose Ramos-Horta, will be attending the performance. Two of our senior students, Emmett and Leigh, will be representing our school to greet the president and to perform the acknowledgment of country. We know they will be wonderful ambassadors for our school.

Lunch Orders

The next lunch order day is on Friday 15th August. Please confirm your child's order and payment by Tuesday 12th August.

Ditto Show

Our Prep/1 students had a visit from Ditto on Tuesday 5th August. Ditto visits our junior students each year to reinforce the message of bodily autonomy, personal safety and how to speak to trusted adults about any behaviour from others that is unsafe. The program is an important part of our Child Safe approach.

Bullying No Way Week—11th to 15th August

Next week our students will be refreshing their knowledge about what to do if they experience bullying, either as a victim or bystander. I encourage you to ask them about what they are learning and discuss the strategies at home.

Book Week Dress up Day—Thursday 21st August

The theme this year is "Book an Adventure." Students are invited to dress up as a book character or another character they like that is appropriate for school. If they don't want to dress up, they can wear free dress.

Science Week Fun

Jo Ramsay will be running an exciting coding experience for all students using Micro Bits on Monday 18th August to celebrate Science Week. The students have been learning how to code with the Micro Bits and are making great progress.

AFL Clinic

Leo's dad Aaron is coming to school to run a football clinic for our students in PE on Wednesday 20th August. Aaron is one of the coaches/coordinators of the Marysville Auskick Program and it will be great to have him here to work with the students.

Kind regards,
Sarah Irving

School-Wide Positive Behaviour Support

Our focus in week 3 has been
“I speak to others with calm and kind words”

Our focus in week 4 will be
“We help others to feel a sense of belonging”

This term staff have started teaching students our School-Wide Positive Behaviour Support (SWPBS) lessons, where students are explicitly taught expected behaviours in line with our school values – Belonging, Respect and Learning.

So far students have learned our classroom expectations, school routines, and about speaking to others with calm and kind words.

Next week students will be learning about ways to help others to feel that they belong.

Can You Help?

We are looking for donations of 1 or 2 litre plastic bottles.

Please send to school any clean plastic bottles that you collect.

Thanks
